

# The Stroll Scroll

May 1996

## Prez sez thanks for coming y'all\*

*By Jocelyne Verret  
President*

**A** hearty thank you to the 40 people who turned out for the Stroll's Annual General Meeting March 30. We are also grateful to the First Baptist Church who lent us their meeting room and to Katherine McKee who coordinated the refreshments.

Interest is strong and new Board members are already busy at work on the Stroll of Poets Society's 1996/97 activities. I have finalized details regarding the Di Brandt workshop and registrants have been notified.

### ***Stroll Date Set***

The Stroll this year will be held **October 6**, so please take note. Thus, we are returning to our customary first Sunday in October

tradition. That was the Board's recommendation to the AGM and was ratified by the AGM. This was a very fortunate decision since the AIDS Walk committee has moved its event to the last Sunday in September. We encourage you to partake in both of these activities.

### ***Jobs, Jobs, Jobs***

The Stroll is now receiving applications for two coordinating positions. If you are interested in either of these, please send a letter stating why you think you would be a good candidate for the position in question. Also include a brief resume. Mail to:

**Stroll of Poets Society  
Box 35082  
Oliver Post Office  
Edmonton, Alberta  
T5K 2R6**

Please indicate on the envelope the title of the position applied for. An honorarium will be paid in

each case. Amount depends on funding the Stroll receives. Coordinators answer to the Board.

**Stroll Coordinator:** Deadline for applications is May 15. Responsibilities: Find suitable venues for Stroll. Make up roster of poets. Liaise with the publicity committee regarding ticket sales, publicity and poster printing, and release to the media and public at large. Liaise with the Board re: Stroll Brunch and Invited Poet Special.

**Anthology Editor:** Deadline for applications is July 15. Responsibilities: Must be familiar with computers, specifically PageMaker. Receive and collate Strollers' submissions. Enter submissions on computer; format anthology. Liaise with the graphic artist re: cover art. Liaise with anthology printer. Liaise with publicity committee regarding anthology launch.

\* or words to that effect!

## Stroll of Poets Society Board Members
